

## Transportation - Parental Consent Form

The safety of our staff is very important to us. We also value our relationship with their parents. When staff are under 18, these parents need to be aware of the options available to their children and consent to them.

The following is an excerpt from the staff manual which deals with the topic of transportation.

### Transportation

- a. Staff under 18 years of age must comply with their parents wishes as indicated by the signed standard consent form dealing with transportation off camp property
- b. Note: If you will be driving your own car on your time off and choose to drive other staff members you, (and your parents if you are under 18) are liable for the safety of the passengers in your vehicle.

**Parents, please sign off the appropriate consent that you would agree to:**
